MLK DAY LEGACY FEATURE

"If you can't fly then run, if you can't run then walk, if you can't walk then crawl, but whatever you do you have to keep moving forward."

— Dr. Martin Luther King Jr.

Dr. King's words are a powerful reminder that progress isn't always fast or flashy — but it must be relentless. In the context of youth sports, this message speaks to every athlete grinding through early-morning practices, bouncing back from injury, or pushing through setbacks on and off the court. The journey toward greatness, discipline, and growth is not linear — and that's okay. What matters most is the refusal to quit. Whether you're a role player or a standout, a freshman or a senior, every step forward — no matter how small — builds character, confidence, and community. This year's Shot Clock Battle in the 614 is more than a showcase of talent. It's a celebration of perseverance, grit, and the spirit of pressing forward together.

Welcome to the 5th Annual Shot Clock Battle in the 614

Powered by Eventive Sports, LLC

Eventive Sports is proud to present the Shot Clock Battle in the 614, a premier high school basketball showcase hosted during Martin Luther King Jr. Weekend.

We've aimed to become the most respected and sought-after organizer of high school basketball events across the state of Ohio. Through our platforms, we not only create meaningful opportunities for girls' and boys' teams to compete, but we also strive to inspire players, coaches, families, officials, and school leaders to grow as individuals both on and off the court.

This year's Shot Clock Battle in the 614, hosted at Ohio Dominican University, would not be possible without the university's generous support, along with the approval of the OHSAA, the Ohio High School Basketball Coaches Association, and the collective efforts of school administrators, coaches, officials, support staff, and volunteers who help make this event possible each year.

Now in our fifth year, the 2026 showcase features 38 high school teams, many with players destined to compete at the next level, making for a weekend of high-level basketball.

Thank you for being part of this special event. We hope you enjoy the games and the energy that make The Battle one of Ohio's standout high school basketball traditions.
